

# FY2015 CHNA&HIP Progress Report

## Butler County

### Community Health Improvement Plan

GOAL	Strategies	Progress on Strategies
Increase the percentage of county residents who identify that they are prepared for a natural or man-made disaster from 48.7% to 75% by 2012.	Agency staff and preparedness partners will brainstorm additional media venues and methods for distribution of disaster preparedness information	Public Health staff brainstorms often on how to educate the citizens of the county on preparedness and other PH topics.
	Staff will have a booth at the Butler County Fair and will disseminate county disaster preparedness information and bags.	Butler County staff had a booth at the Butler County Fair on June 18th - 22nd. We distributed 380 preparedness bags to county residents. We also gave away 25 solar/crank weather radios as a drawing.
	Staff will have a booth at the Butler County KidFest and will disseminate county disaster preparedness information and bags.	Butler County staff distributed 105 preparedness bags that the Butler County Kid fest on September 20, 2014. The remaining 15 bags were distributed to the families in our Homes with Healthy Children's program.
	Monthly news articles will be developed and placed on the Butler County website, local newspapers.	Monthly news articles are written covering a wide range of topics, including preparedness, and are submitted to the local papers.
	A family preparedness presentation will be developed and utilized for various businesses such as county Headstarts.	One preparedness presentation was made to the citizens of Parkersburg on January 26, 2015. This was hosted by Parker Place, an assisted living.
	Families attending preparedness presentations will be given a disaster preparedness bag.	Families the received preparedness bags during KidFest has to answer a preparedness question and received their preparedness bag as a prize for answering the question.
	Family disaster preparedness information will be distributed through the agency Facebook page.	The same information that is submitted to the local newspapers is also posted to the agency Facebook page.
	A family/personal preparedness billboard will be placed in county.	No billboard has been placed due to no funding.
	Resurvey county residence to determine preparedness for natural and man-made disasters.	No resurvey has been completed at this time but the answer will be asked during the CHNA survey.
